MESSAGE OF 2020

**In solidarity, we stand
In unity, we strive
In hope, we work**

Year 2020 will never be forgotten in human history.

The unexpected pandemic of Covid-19 that has swept around the world brought unprecedented challenges for human beings. When the Covid-19 broke out in China, although having never responded to a health crisis like that before, Amity decided to stand out to respond to the challenge. With the support from friends and partners around the world, many staffers gave up the Chinese New Year holiday and worked to fight against the pandemic. We managed to provide much needed PPEs, equipment and meals for medical staff who fought on the frontline. In our battle against the virus, we were greatly encouraged and supported by friends at both home and abroad. The solidarity and unity that has extended to us became our source of energy to provide support to people in over 30 countries at a later stage when the pandemic started to prevail in other areas.

Many other important work followed our pandemic response: poverty alleviation, flood relief in 35 counties in 9 provinces and autonomous regions in China, 16,355 orphans supported, 115,390 students sponsored for further studies, 32 medical programmes benefitting 700,000 conducted, 730,000 elderly served, and research on services for the elderly reached a new height.

Apart from offline programmes, 2020 was a busy year with on-line programmes for Amity: hosting three international online meetings on pandemic prevention, participating C20 conference, raising RMB 192 million through online fundraising, supporting philanthropic projects with contribution from over a million netizens, conducting live streaming on philanthropy activities, making on-line visits to projects sites.....

In recognition of its contribution, Amity was given the "Most Influential Charity Organization" award under the Fifth Jiangsu Charity Awards. Amity Bakery was awarded the Charity Project of the Year 2020 at the Annual Meeting of Responsible Leaders by The Paper.cn., Amity "Sprouts on Earth" programme was selected as one of the 50 Poverty Alleviation Cases with Best Practice of Social Organizations by the State Council.

Additionally, in its international work, Amity successfully joined the International Council of Voluntary Agencies (ICVA) headquartered in Geneva and became its first Chinese member, Amity Torch Programme has developed to support 4,576 marginalized students in 8 countries.....

No toil, no gain. Hard efforts were seen behind each and every effort. Behind each and every effort was the support and solidarity of friends and partners from all around the world. Therefore, in spite of 2020 being a year of extraordinary hardship and tears, because of the solidarity from partners and supporters, Amity was able to perform satisfactorily in delivering services.

Looking ahead, year 2021 will be another crucial time. Locally in China, on social development, poverty alleviation is stepping into a new stage of rural revitalization, the 14th “Five Year Plan” enters its initial year, elderly care has raised overwhelming attention..... With relevant policies laid, Amity is taking more solid steps to consolidate the results of the development while making efforts to contribute to social service and governance innovation.

The shadow of the pandemic is still casting over the world, not only threatening the health of human beings, but also shaping our world drastically in all aspects including economy and life style, causing even greater difference between the rich and the poor. While combating the virus, our world is only nine years from achieving 17 SDG goals in 2030 when we envision that no one will be left behind from the overall development of the world. We wish to unite even closer with all our partners, all our friends and all our supporters, in the spirit of unity and solidarity, to make the world a better place for all.

Nanjing, China

July22, 2021

JIANGSU HUAHONG CERTIFIED PUBLIC ACCOUNTANTS CO., LTD

Auditors' Report

NO. SHHC004/2021

The Board of Directors of the Amity Foundation:

I. Opinion

We have audited the financial statements of the Amity Foundation, which comprise the statement of assets and liabilities of the Amity Foundation as of 31 December 2020, and the operating activities statements, the statements of cash flows for the year then ended, and notes to the financial statements.

In our opinion, the financial statements of the Amity Foundation have been prepared in accordance with Accounting Systems for Not-for-profit Organization, and present fairly, in all material respects, the financial position of the Amity Foundation as of 31 December 2020 and its financial performance and its cash flows for the year then ended.

II. Basis for opinion

We conducted our audit in accordance with the Standards on Auditing for Certified Public Accountants. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Amity Foundation in accordance with the China Code of Ethics for Certified Public Accountants, and we have fulfilled our other ethical responsibilities in accordance with these codes.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

III. Other information

Management of the Amity Foundation is responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon.

IV. Responsibilities of the management and those charged with governance for the financial statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with Accounting Systems for Not-for-profit Organization, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Amity Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Amity Foundation or to cease operations or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Amity Foundation's financial reporting process.

V. Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our audit opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.

c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

d) Conclude on the appropriateness of management's use of the going concern basis of

accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Amity Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Amity Foundation to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
AMITY FOUNDATION, HONG KONG**
(incorporated in Hong Kong with limited liability)

Opinion

I have audited the financial statements of Amity Foundation, Hong Kong ("the Foundation") set out on pages 8 to 14, which comprise the statement of financial position as at 31 December 2020, and the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the Foundation are prepared, in all material respects, in accordance with the Hong Kong Small and Medium-sized Entity Financial Reporting Standard ("SME-FRS") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") and with reference to Practice Note 900 (Revised) Audit of Financial Statements Prepared in Accordance with the SME-FRS issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other Information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report comprises the information included in the directors' report set out on pages 1 to 2, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work I have performed on the other information obtained prior to the date of this auditor's report, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation of the financial statements in accordance with the SME-FRS issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
AMITY FOUNDATION, HONG KONG**
(incorporated in Hong Kong with limited liability)

(continued)

Responsibilities of the Directors for the Financial Statements (Continued)

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so. The directors are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

It is my responsibility to form an independent opinion, based on my audit, on those financial statements and to report my opinion solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
